# INDIA MOBILE CONGRESS

In a world driven by swift technological advances, the **India Mobile Congress (IMC)** stands out as a cornerstone of innovation and partnership. Hosted by the **Department of Telecommunications (DoT)** and the **Cellular Operators Association of India (COAI)**, IMC is recognised as one of the premier technology exhibitions in the world.

The 2024 edition of the **India Mobile Congress** is set to take place from **15–18 October** at **Pragati Maidan in New Delhi**. As we approach the eighth edition of this marquee event –IMC 2024, we are ready to embark on a journey that pushes the limits and highlights the transformative impact of technology.

This year's event will coincide with **WTSA'24**, a global standards assembly organized by the ITU, featuring participants from **120+ countries.**

**ITU WTSA**

**15 Oct – 24 Oct 2024**

Marking a new chapter in the TMT sector, IMC 2024 will run concurrently with the World Telecommunication Standardisation Assembly 2024 (WTSA 24), which serves as the principal conference for the ITU Standardization Sector (ITU-T).

The event will feature global attendance, including international delegates from diverse sectors such as Member States, standardization bodies, industries, academia, and start-ups. It will act as an essential platform for enhancing the standardization ecosystem across various telecom and ICT technologies.

| Regional Preparatory Meetings | Inter-regional Meetings | Fifth Global Standards Symposium | World Standards Day | Network of Women for WTSA-24 |
